

Create a Chapter Request Form

+ Share |    

Welcome, New Queen! We are delighted that you would like to lead a new Chapter of The Red Hat Society! Please fill in the following information and your Chapter will be created for you.*

Your Chapter's Name: Queens are encouraged to give their Chapters names that communicate their sense of fun and whimsy, or a Queen's intended theme or purpose for the Chapter. Some examples of current Chapter names are Scarlet O'Hatters, Pretty in Purple, Dazzling Divas and Lady Hatterly's Cover (a book club.)

Your Chapter's Description: Please share a bit about how you will play within your description. Will your Chapter meet during the day or in the evenings? What do you like to do? Attend theatre? Go out for lunch? Make arts and crafts? Skydive? The choice is yours. New Members will be reading your descriptions carefully to find a great place to play.

* If you are an existing Queen who is already leading an established Chapter Group, this form is not for you. RHS provides each new Queen the opportunity to create a Chapter Group
