

Red Hats, Red Hats

(Tune: Daisy, Daisy)

Red Hat, Red Hat, Red Hat Society
We get together for fun and frivolity
We don't hold monthly meetings
But we specialise in eating,
And we all have fun, each and every one
On our outings, wherever they be.

Red Hats, Red Hats, we wear every time we meet
With purple dresses, our colours for all to see,
We wear our colours so proudly, is the order of the day
Dressed in our best, we outshine the rest
So here's to us, lets all shout, Hooray!

Hat of My Hats

(Tune: Heart of My Heart)

Hat of my hats, I love what you stand for.
Hat of my hats, you've opened many a door.
When we walk out in gaudy purple gowns,
We are rough and ready gals
We're all good friends, we're really pals.
And, hat of my hats, you've made me great new friends
To you I say, "Congrats! With those flowers on you,
And purple bows upon you
You make my heart sing:
"Hat of my hats!"
